<https://www.linkedin.com/in/jinushree-r-84687b273/>

Experienced working with teams to produce impactful, leading-edge websites that engage customers and deliver business results. Well-versed in design standards and user preferences. Overall, 1.4 years of experience in the field of Software Development, had taken a break of about 5 years for personal reasons. Now, I'm eager to re-enter the workforce with utmost enthusiasm to contribute my skills and expertise to a new role in an organization that provides equal opportunities to faster growth as an individual as well as professionally and to deliver timely results without compromising quality.
